The Facebook page has our current school fees. Thank you!

For children aged 3 (turning 4) to 6 years

Let us tell you about our school!

At Little Stars we believe that children are unique individuals that develop at their own pace through exploration and discovery of their environment and the people around them. Children are active seekers of knowledge with a natural curiosity to learn about themselves and their surroundings. They need security, love, affection and strong relationships with their parents and teachers to thrive and develop to their full potential. At Little Stars, we create this joyful, loving and safe environment, giving our children the chance to develop their self-confidence, social skills through playing with friends, as well as helping them to develop all the pre-school skills necessary for them to sail through their first year of formal schooling in Grade 1. We encourage children to be caring and sharing individuals; and to develop and sustain their spirit of enquiry. We also believe in physically working on the level of the child, even though it means going down on our haunches or knees and thus having direct eye contact with the child.

Our environment is carefully planned and organized to maximize your child's opportunities to explore and learn using all their senses. We promote self-expression, exploration, experimentation; critical thinking and opportunities to problem solve and practice new and already mastered skills. We offer three classes; 16 children in the red class (3-4 year olds), 22 children in the yellow class (4-5 year olds) and 26 children in the blue class (5-6 year olds; Grade R), each with a qualified teacher and assistant (one English and one Afrikaans). We use a structured program. There will be times to do things together as a group and times to work independently. Because young children like to know what is happening and when, they benefit from a schedule that is familiar and predictable, yet not rigid. Our daily classroom routine is on display.

Our daily program

Our day begins with outside playtime and the children have a wide variety of equipment to play with. We have a large grassed area, a water play area, and a covered area for push bikes, scooters and wagons. We also have a large sandpit, stilts, step & catch and many more! Large muscle control, motor coordination and balance are developed at this time through climbing on the jungle gyms, riding the scooters, pulling the wagons and jumping around! We provide well-equipped and maintained facilities; excellent supervision at all times during school hours (08:00-13:00), and a safe environment. Our facility is fully fenced with an intercom system to gain admission. We have another outside play time after snack time.

We then have morning ring. During this time we are all on the carpet. We take register, look at the weather and the calendar and learn about our theme for the week. Our school is a bilingual Christian school. We begin and end each day with a prayer and all lessons are done in both English and Afrikaans (with the exception of phonics, where we separate the children so as not to confuse their letter sounds). Each week we read a bible story, e.g. a baby for Sarah, and then we have a bible topic, e.g. patience, that ties in with our story. Each week the children are taught a rhyme, alternating English and Afrikaans, which ties in with their theme.

During creative art time we ensure, and if necessary, correct their scissor and pencil grips and also ensure correct body posture when working at the tables during art. Our artwork is always about our current rhyme. We ensure that the children do drawing, painting, cutting, pasting and play dough every week. We want to develop their creativity and their awareness of colour, texture and patterns. We then have snack time and another outside playtime.

We give practical phonics (letter sounds) and maths lessons. Each week we learn about a letter name as well as the sound it makes. In maths we look at topics like colours, shapes, numbers, patterns, sorting, time, adding and taking away, sizes, measuring, etc.

Our PE lessons include gross motor activities using beanbags, hoops, obstacle courses and gross motor games. In music we look at playing music loud and soft; high and low; slowly and quickly and many more musical concepts. We also offer Playball lessons (Wednesdays) and an extensive Music and Movement program (Mondays). These take place during school hours and they are included in the school fees.

During puzzle time, we encourage the children to build puzzles or complete educational games. It is during this time that the teachers work with individuals or small groups of children teaching them or assessing them on certain skills every week. We end our fun-filled day with a story to calm us down.

So, as you can see, at Little Stars, we understand that selecting a pre-primary school is one of the most important and stressful decisions you will make. We want you to know that you can be certain you have made the best possible choice for your child. We can assure you that your child will have fun in our stimulating environment while he or she is developing physically, intellectually, emotionally and socially.

The teachers at Little Stars have a passion and great love for children and will always strive to enable each child to reach his or her full potential. At Little Stars each child is given the opportunity to shine, and as our name says, the sky is the limit!

Little STARS Pre-Primary

Rules and Regulations

Little Stars Pre-Primary offers your child a time of learning in a safe, happy environment. Small classes ensure your child gets the much needed individual attention which he or she deserves. We offer a structured educational program which is planned to stimulate your child in all aspects of their young lives and to prepare them for Grade 1. All children will be supervised at all times during school hours (07:45-13:00).

HOURS: The school hours are from 08:30 to 12:30, Monday to Friday. Arrival time is from 07:45. Departure time is between 12:30 and 13:00 and NOT later. Please message the school and let us know if you are running late. These hours must be strictly adhered to at all times. Children must be brought to their teacher in the morning and must not leave without saying goodbye to her. All children must please be collected by 13:00. We close at 11:00 on the last day of every term.

TERMS: We work according to the government school terms. We are closed during the holidays.

FEES: A non-refundable admission fee (cash) of R600 is payable when you first register your child and a yearly re-admission fee (for children already in the school) of R200 (cash) must be paid by the end of October to secure your child's place for the following year. Acceptance is only valid once this fee has been paid and the admission form has been fully completed, signed and returned. School fees are still payable whether or not your child attends school in that month, due to illness or holiday. School fees will increase by approximately 10 % year on year. **If fees are not paid, I reserve the right to allocate your place to another child. If you wish to take your child out of the school, please inform me a month before he or she leaves. Please note that one month's notice must be given or you will be held liable for one month's fees.** Playball and Music & Movement fees are included in the school fees. They take place during school hours on a Wednesday and Monday. School fees are paid over 12 months. School fees must be paid by the 5th of each month. Cash fees may be paid when the school opens again after the holiday (if the 5th is during the school holidays).

The school bank account details are as follows:

K A van Antwerpen

Bank: First National Bank

Branch name and town: Strand

Branch number/code: 200-612

Account number: 62095713600

Please do not deposit cash (the service charges are very high). You may pay the cash directly to me. Thank you.

ILLNESS: If your child is very sick please do not send them to school. Should your child have a contagious disease (for example a tummy bug) please keep him or her at home until he or she has recovered.

SNACKS: Please provide your child with a healthy snack every day. Sweets, chips and any chocolate flavoured items may not be sent to school. No fizzy/gas coldrinks are allowed.

BAKER DAY: Every Friday will be baker day. This is the chance for you and your child to show off your expertise in the kitchen. Each child will have a turn to be the baker. This entails them bringing to school some snack, which they have made, to sell to the other children

in the class. Each child can then buy the item for R4 (this may be paid weekly or R40 for the term). This is an excellent way to reinforce please and thank you's and for you to spend some time with your child creating goodies (it needn't be anything too fancy, bags of popcorn, marie biscuit faces, anything simple.) We will send out a class list which will tell you when it is your child's turn to supply the goodies.

BIRTHDAYS: Unfortunately no party food will be allowed at school. Our classes do make and bake for every child's birthday. You and your teacher may decide what you'd like the children to make. You may either supply the ingredients or give a donation. The art session on this day will be focussed on the birthday child. The children will do this as an art activity as well as make the birthday child their birthday book!

CLOTHES: Children come to school to play and learn. Please dress them in old, unrestricting clothes. A spare set of clothes must be kept in their bag. Please mark all clothes.

TOYS: Children may not bring toys or jewellery to school. We will not be held responsible for any personal items, which might get lost or broken.

BOOKS: Your child will be provided with a message book. This book is for teachers and parents to "chat" to each other. Every Thursday a letter will be sent home in the message book telling you what work we will cover the following week. This gives our children the opportunity to contribute to our theme table by bringing relevant materials from home. It will often include very important school notices. All messages should be signed so we know you have received them. Books must come to school every day. Please encourage your child to put his or her book on top of the lockers by him/herself. The teacher will not take the message book out of the child's bag (except on Wednesday). If you have a message that the teacher needs to read please make sure you or your child puts their book on the lockers. Thank you.

WHAT YOU NEED TO SUPPLY:

1. A certified copy of your child's birth certificate (for the education department)
2. A copy of your child's clinic card showing proof of immunizations.
3. A photocopy, back AND front of your medical aid card as well as a copy of the ID or driver's license of the main member as well as the person responsible for paying the account.
4. A clear photo of your child, which we can put up on our birthday chart. This photo will also be photocopied, attached to the birth certificate and sent to the education department so the child's head must please be more or less the size of an ID photo and the child must please be looking at the camera. It must be a recent photo. Thank you for your cooperation with this.
5. An A4 thin (NOT THICK) ring binder file (the year's work will go into this file)
6. R50 at the beginning of each term; which we will use to purchase your child's class materials which consists of tissues, plasters and all our art materials e.g. crayons, kokis, oil pastels, paint, glue, paper, etc.
7. R40 for all the baker days (on Fridays) this term. (Most parents prefer this to bringing R4 each week).

Should you have any queries or special needs please contact me and I will try to accommodate you as best I can. My cell number is 078 140 7654. My email address is kari@littlestarspreprimary.co.za. I trust that the above is acceptable and I look forward to having your child / children join us at Little Stars Pre-Primary School.

Kind regards
Kari van Antwerpen

Little STARS Pre-Primary School Admission Form

Child's name and surname _____

Date of birth _____

Home language _____

Will your child be going to an English or Afrikaans Grade 1 class? _____

INDEMNITY

This indemnity must be filled in before your child will be accepted at Little Stars Pre-Primary. Your child will not be transported without your knowledge unless there is a medical emergency and I am unable to contact you. If this should occur, I reserve the right to act as I see fit in the best interests of your child. In case of emergency, please include a copy of your medical details with your application form.

We, the undersigned, do hereby indemnify Kari van Antwerpen and/or staff who may be looking after our child, against any accident or injury to the latter, arising from any cause whatsoever. We also accept full responsibility for any public liability claim/s arising out of any action of our child. This indemnity will apply in any geographical area and includes any risk attached to the conveyance of our child or children. Furthermore, we do and hereby indemnify the owners, lessors and lessees of any property for any accident or injury caused to our child or children while the latter may be on such property. We also accept full responsibility for any other risks involved not mentioned above.
